FOREST SPRINGS®
CAMP & CONFERENCE CENTER

OUR COMMITMENT TO YOU!

Our goal is to provide you with sound biblical teaching, quality facilities, exciting program options, and service by a gracious, and caring staff, all at competitive prices.

To accomplish this, Forest Springs subsidizes roughly half of its operating costs by missionary staff who are not funded by camper fees, financial and material gifts, youth camper scholarships, and conservative financial management practices.

We are glad to extend to you this level of excellence and service at what so many campers say are surprisingly reasonable fees.

Partial Stays During Family Camps

Maximum Occupancy:
Our "maximum capacity limits" dictate if we can accommodate requests for additional visitors/guests visiting campers during their week of camp.

Visitors:

- **A visitor is anyone**, including a family member, who is **not pre-registered** and is staying for one night or less.
- **Family campers are responsible** to ensure that their guest is registered at least one day in advance of their visit. If the guest is staying overnight please notify us prior to camper registration day.
- **Visitors pay the fees** at the information desk.
- **Visitors are asked to observe** all camp guidelines and give family campers first priority in all camp program events and equipment.

Partial Stay Campers:

- **A Partial Stay Camper is** anyone**,** including a family member, who stays two or more nights at camp.
- **Partial stay campers need to pre-register** prior to the start of camp.
- **There are 2 fee options** for partial stay campers:
  - 3 night stay fee (Staying two to three nights.)
  - 6 night stay fee (Staying four to six nights)
- **Partial stay campers are entitled** to all the privileges of a full-week camper. They may sign up for program events and may have priority with camp equipment as other full-week campers.
- **Substitution of a non-registered person for a registered camper is not permitted.**
