

**FOREST SPRINGS.**  
CAMP & CONFERENCE CENTER

Hello,

At this point we aren't cancelling our spring events or retreats.

However, as part of our commitment to the health and wellbeing of our guests, staff and the larger community, we are carefully monitoring the situation and are in regular contact with health agencies for information and guidance. We continue to implement preventive measures in line with their recommendations. For example, we have added additional hand sanitizers throughout heavy traffic areas of camp, increased the frequency of cleaning and disinfection in high guest-contact areas, and are providing information about good hygiene practices and illness prevention to our guests and staff.

Forest Springs has high standards of cleaning and sanitation and has health and safety protocols in place, such as:

- Modifying our food service procedures
- Training for staff, including personal and public hygiene practices, with ongoing reinforcement on a regular basis
- Defined cycles for frequent cleaning and disinfection of targeted areas
- Easy access to handwashing facilities and hand sanitizers
- Quick response to spills, trash and other situations
- End-of-day sanitation procedures for restroom, kitchen and other facilities

The CDC recommends everyday preventive actions to help prevent the spread of respiratory illnesses like coronavirus/COVID-19, such as:

- Staying home when sick or having symptoms of COVID-19
- Washing hands often with soap and water for at least 20 seconds
- Following proper respiratory cough etiquette
- Avoiding close contact with people who are sick
- Avoiding touching eyes, nose and mouth with unwashed hands

If you are not feeling well, please stay home. If you are uncomfortable coming to Forest Springs, please feel free to stay home. Either way, we will waive our deposit policy and provide you with a full refund.

Please contact our Registrars at 715-427-5241 or reply to this email with any questions or to cancel your stay at Forest Springs.

Thank you.
